

Logitech G300s Optical Ambidextrous Gaming Mouse

Availability: Pre-Order

Price: \$240TTD

Short Description

9 Programmable buttons

Description

- Nine programmable controls: Move keyboard commands to mouse buttons that are in easy reach
- Symmetrical compact shape: Feels comfortable in either hand and perfect for gamers who don't want a large mouse
- Gaming-grade optical sensor: Tracks accurately on a wide variety of surfaces and is tunable to achieve the responsiveness you need
- Easy configuration software: Simply drag and drop commands to the buttons to setup the mouse exactly the way you want
