

# USB Charger

**Availability:** In Stock

**Price:** \$90TTD

## Short Description

Dual Power port with foldable plug

## Description

- **PowerPort 2 Elite**  
The Optimized 2-Port USB Wall Charger
- **Fast-Charging Technology**  
Anker's exclusive PowerIQ and VoltageBoost combine to deliver high-speed charging for any device.
- **Ultra-Powerful**  
Dual USB ports pump out 24 watts. Enough power to simultaneously charge two iPads at full speed.
- **Comprehensive Safety**  
Anker's exclusive MultiProtect safety system provides surge protection, short circuit prevention, temperature control and more advanced features to keep you and your devices completely safe.
- **Travel Ready**  
Compact design, foldable plug and international voltage input make PowerPort 2 Elite incredibly portable and ideal for travel—anywhere in the world.
- **Durable Design**  
Robust textured exterior resists wear, scuffing, and scratching. Premium internal components ensure perfect operation—even after being bumped around, shoved in a bag, or dropped on the floor.
- **Package Content** - 1 charger only (No usb cable)
